4.1.3

This is the modern era, and it is the age of ICT facilities such as smart class, LMS etc. The college has 8 classrooms with LCD facilities. IN 18 classrooms, the WI-FI facilities are provided. In addition, we have 2 seminar Halls with ICT facilities. These facilities are utilised for the enhancement of the students' abilities and understanding about the courses that they study. The students really appreciate these ICT facilities, and they feel that these facilities deepen their understanding about the topics that they study through these facilities.

Formula: - $\frac{28}{17} \times 100 = 164.70$

$$\frac{20}{20} \times 100 = 100$$
