ADD-ON COURSE REPORT

"CANTEEN MANAGMENT"

Canteen is a food store that sells foods in institutions such as schools, colleges, military campus. Provides basic needs such as food and drink. The school's canteen plays a crucial role in the diet and nutrition conditions of school-age children and adolescents. Because the quality of canteen services affects the satisfaction and well-being of the students. Fitness is related to nutrition. If children and teenagers get proper nutrition, tomorrow's society can be healthy. For this purpose, a course of canteen management should be selected.

20 female students registered in Certificate ad on course held from 07/01/2023 to 25/01/2023. Introduction of canteen management in the syllabus of this course, contribution of canteen in self -employment, the rules for sale of canteen management, quality of good canteen, the importance of hygiene in the canteen, tips for making food, and acceptance of food. The practice was then made by the practice of making a dish and how to determine the cost and profit of one of the dishes. The subject of canteen management was chosen as part of an effort to get women self -employed. Catering business can also be adopted with canteen management. There is an effort in our college to bring economic awareness to women.
