## Grammar and Astrology

Sanskrit language is the language of Aryan. The literature of this language is very rich so even today the scholars escalate the language. *Vedas, Vedang, Shaddarshan, Ramayana and epic poems like Mahabharata, and Ramayana* also written in this language.

*Purana, smrutigranth, alankaar shastra, kavya shastra, Justice, and Vaidak* also written in this language. To get depth in the language and get command over the language and while making communication in routine life one must be acquainted with words, grammars, and noun. One must know how to join the sentences with conjunctions and components and various suffix and prefix. Also the reader must be acquainted with the sounds and conjunctions. Grammar is very essential to learn the language. The students should be able to get the knowledge of grammar in Sanskrit language, we have arranged a course on Sanskrit grammar.

Astrology is a part of *shstvedang* where *Vedpurush* is called a vision and the main subject of *veda* is considered as *Yajan*. It is necessary to know the timings and specific period to organize the *Yajan*. so that the knowledge of astrology is necessary. The knowledge of the day, the night, the season, the month, the year, the *nakshtra* and *murhut* is incomplete without astrology.

Astrology is engulfed in our routine life. We use astrology in our daily conversation. In *vedang*, mainly at the time of *Uttarayan* and *dakshinayan* the movement and the direction of the Sun, the Moon, the horoscope etc. 27 *nakshtra* have been described.

40 students participated in this course. Our Principal Dr. D.H. Joshi delivered a lecture on the "The importance of Grammar and Astrology", "*karmadharan Samas*", *Panchang*, "the situations of planets".

Dr. J.J. Desai spoke on Cast system, Uninflected words, *Rashi and its Swami*.

Dr. A.M. Patel delivered lectures on vowels and diphthong, *Sol Sanakar*, and constellation, *tatpurush samas*.

Dr. Manjula Solanki delivered the lecture on *sandhi prakaran* " *dhvigu and dhwandh smas*" and "*sankratikal*"

Dr. Prashant Sharma delivered the Fifth inflection in "*karak prakran*"
