REPORT

Under MOU with Lion Motors Ganeshpura, our institute organized visit to Lion Motors for the welfare of the students on **21st January, 2020**. The aim of visit was to make aware the students about the current scenario of motors. Thirteen students participated actively and asked questions regarding the parts of motors to the owner of Lion Motors. The students were eager to know about the different engines and fuel efficiency of cars. The staff of Lion motors was very supportive. They provided breakfast and showed workshop to the students. When the students visited workshop, they came to know about the hardship of car mechanics. They came to know how the lower class people worked to earn their livelihood. As Pope said, “The Proper study of mankind is man.” The students made aware of the hardship of life.
