Extension Activities:

3.4.1 Extension activities in the neighbourhood community in terms of impact and sensitizing students to social issues and holistic development during the last five years

Response:

To communicate and sensitize students to social issues and for their holistic development and to make them understand their social responsibility, and to take them from classrooms to real life, we have an active *NSS (National Service Scheme)* which consists of an NSS coordinator, one woman faculty member and 5 student members. This committee performs a unique mentoring process through which many social activities are conducted in a neighbouring society. These extension activities influence the students, their understanding of the problems in the rural and urban areas of the state, the various policies of the Government or the society and their impact on human life are brought to the perception of the students. They are encouraged to participate in various community development programs to develop their all-around personality. Self-discipline, loyalty, respects and patriotism is nurtured among the NCC students. As a part of the whole exercise, the college has adopted nearby villages. In addition, the students are involved in the below-mentioned activities.

The NSS (National Service Scheme) conducts annual camp in the neighbouring villages for 7 days, which helps them to mingle with the village and rural people to understand their lifestyles and needs better. Various activities enable the students to cultivate the much-needed traits like self-confidence, leadership, self-discipline, commitment and devotion, hard work and teamwork and the same qualities will help them excel in academics as well. The students accumulate new knowledge, experience changes in their attitude towards the socially deprived or oppressed. The awareness and thalassemia test for all the students admitted in the first year is compulsory.

The institution has taken the initiative to make aware the society about social and health problems like female foeticide, dowry system, environment protection, waste plastic collection, Back to Nature Awareness Program, consumer protection awareness, anti-corruption, HIV awareness, anti-tobacco and cleanliness awareness etc.

- Awareness about Government schemes like Jandhan Yojana, Swachhh Bharat Abhiyan, In house toilets, Beti Bachao-Beti Padhao, Vyasan Mukti
