### Memorandum of understanding between SCOPE

### SCOPE

Under MOU with Society For Creation Through Proficiency in English (SCOPE), our institute conducts the exams of CEPT and Language Skill for our college students. This is the platform for the students where they can earn the certificate from Cambridge. SCOPE is a government initiative for the

improvement of English of the college students. Our institute has the language lab to conduct the exams. SCOPE offers three skills in module (Listening, Reading, and Speaking) The aim of SCOPE is to make aware the students about the correct English pronunciations. It is used by Higher Education Employers who need to check the English language Skills of students and employees.
